SUMMARY

Passionate JavaScript developer with 5+ years of experience specializing in modern web technologies. Expert in React, Node.js, and vanilla JavaScript, with comprehensive full-stack development skills. Proven track record of creating high-performance web applications with a mobile-first approach and deep expertise in front-end technologies.

SKILLS

- JavaScript Ecosystem:** React, Node.js, vanilla JavaScript, React Native, TypeScript
- Frontend Technologies:** HTML5, CSS3, SASS, Responsive Web Design, Tailwind CSS, Bootstrap
- State Management:** Redux, Context API
- Backend Integrations:** Next.js, REST APIs, GraphQL, Express.js
- Additional Technologies:** Laravel, WordPress, Linux/Bash scripting, Docker
- Web Optimization Standards:** WCAG, Google PageSpeed Insights, Lighthouse, Webpack, Vite
- Server management:** AWS EC2, DigitalOcean, Netlify, Nginx, Apache

WORKING EXPERIENCE

SENIOR FULL-STACK DEVELOPER

TauCommerce | 2023 - Present

- Led complex integrations with external APIs like Avalara AvaTax, PrintNode, IDScan, Zakeke, Slack, Blaze, and Cornerstone Fiscal. Extending the platform's capabilities and automation.
- Took ownership of production deployments, implementing processes to ensure stability and reliability.
- Optimized database queries and caching mechanisms for improved performance.
- Continued mentoring junior team members, fostering a collaborative development environment.
- Delivered custom features that contributed to the platform's business growth and improved user experience.

FULL-STACK DEVELOPER

TauCommerce | 2021 - 2023

- Transitioned to full-stack development, learning and working with Laravel.
- Developed and maintained APIs for ERP integrations and data migrations.
- Managed backend logic for a scalable e-commerce platform.
- Supported junior developers through mentorship and knowledge sharing.
- Played an active role in deploying code to production, ensuring seamless rollouts and minimizing downtime.

LANGUAGES

- **English:** Full Professional Proficiency
 - **Serbian:** Native
-

EDUCATION

- **Faculty of Technical Sciences**
University of Novi Sad
2018
-

HOBBIES

- **Running:** Participate in half-marathons and marathons, combining fitness with a passion for endurance sports.
- **Gaming:** Enjoy exploring new games, engaging in collaborative multiplayer environments, and hosting old-school LAN parties.

FRONTEND DEVELOPER

TauCommerce | 2020 - 2021

- Designed and developed custom e-commerce themes using React and vanilla JavaScript.
- Built a feature-rich React-based admin dashboard.
- Focused on creating responsive, mobile-first user interfaces.
- Achieved high scores in Google Lighthouse and Web Vitals by optimizing front-end performance.

FRONTEND DEVELOPER

Sourcerers | 2018 - 2020

- Evolved from WordPress development to advanced JavaScript technologies, specializing in React and Node.js web applications
- Developed custom web solutions, progressing from WordPress themes to complex React-based interfaces
- Designed responsive web applications with a mobile-first design philosophy

PROJECTS

Vajb Magazine

Supported a young group of journalists in creating a hip and urban platform. Assisted with hosting, administration, and general technical expertise to help them achieve their vision.

Belgrade Night Half-Marathon

Designed and developed a website for the event. Assisted with online presence management and strategy.

PetAlert Mobile App

Contributed to the MVP phase of a React Native app that helps people find lost pets, providing essential technical support and development.

Warpcloud

A subscription service for creating dedicated servers for games like Factorio, Minecraft, and Call of Duty 4, focusing on scalability and user experience.

Profil Klett (Croatia)

Collaborated on building websites for events, projects, and ideas such as Škola Medijske Pismenosti, Science On Stage, and Oxford Reading Club. Updated and fixed existing websites like Maxtura, Izzi.digital, and Izzi Kvizzi. Played an active role in planning processes and provided ongoing support for existing websites.
